1. Supervisory Board Profile, Size, Expertise and Independence
  - 1.1 The Supervisory Board shall prepare a profile of its size and composition, taking account of the nature of the business of the Group and the desired expertise and background of the Supervisory Board members (the Supervisory Board Profile). The Supervisory Board Profile will set out the aspects of diversity in the composition of the Supervisory Board that are relevant to the Company as well as the current aim applied by the Supervisory Board in respect of diversity. The current Supervisory Board Profile is attached as Annex II. The Supervisory Board Profile is made available on written demand to the Company (for the attention of the Company Secretary) and is posted on the Company's website.<sup>3</sup>

The Supervisory Board shall also meet earlier than scheduled if this is deemed necessary by the Chairman of the Supervisory Board, two other members of the Supervisory Board, or the Managing Board.
- 14.2 Meetings of the Supervisory Board are in principle called by the Company Secretary, in consultation with the Chairman. Save in urgent cases to be determined by the Chairman the agenda for a meeting shall be sent to all Supervisory Board members at least five calendar days before the meeting. For each item on the agenda an explanation in writing shall be provided, where possible, and/or other related documentation will be attached. The Chairman shall in principle consult on the content of the agenda with the CEO/Chairman of the Managing Board prior to convening the meeting.
- 14.3 Each Supervisory Board member, the CEO/Chairman of the Managing Board, and the Managing Board collectively, has the right to request that an item be placed on the agenda for a Supervisory Board meeting.

The Company and its Subsidiaries use the services of the External Auditor to the extent this does not prejudice the independence of the External Auditor.

3. Charter

The External Auditor must be independent within the meaning of the 'Regulation regarding the independence of auditors with respect to assurance-tasks' of the Dutch Professional Organisation of Auditors (*Nederlandse Beroepsorganisatie van Accountants* (NBA) (NBA Regulations) These regulations are based on the principles that: (i) the external auditor must be independent from the client audited, both in mind as in appearance; and (ii) an external auditor is someone who is able, in the light of all relevant facts and circumstances, to form an objective and impartial opinion on all matters that fall within the scope of his assignment. The External Auditor professionally judges whether independent execution of the assurance tasks is threatened.

Under Section 24b of the Act on Supervision of Auditor Firms (*Wet toezicht accountantsorganisaties*) an external auditor is not allowed to perform a statutory audit of the Company if the auditor firm or another part of its network, provides to the Company or an affiliate other services than audit services as referred to in Section 24 of the Act on Supervision of Auditor Firms.

The Company may require from the external auditor that he maintains the right balance between effectiveness and efficiency, e.g. audit costs, risk managing, independence and reliability.

The Audit Committee sees to it that the external auditor complies with the relevant provisions of the NBA Regulations and the above Charter, and may request more detailed explanations and written confirmations from the external auditor that these provisions are followed.

4. Approval of work

All audit work (including fees and conditions) carried out by the external auditor for the Company must be approved in advance by the Supervisory Board on a proposal of the Audit Committee. The Supervisory Board may, within the framework set by the Supervisory Board, delegate this duty to the Audit Committee that in turn, may delegate this power to its chairman, on the understanding that a decision by the chairman of the Audit Committee to give his approval will be presented to the full Audit Committee at its next meeting.

5. Audit Work (Assurance services)

Audit work is the audit of the annual financial reports of the Company, the assessment of interim financial reports that are disclosed, services that are traditionally provided by the external auditor and that are related to filings and obligations under legislation or regulations, and services that only the external auditor as such can reasonably provide.

The External Auditor does not need to go through a tender process for each individual engagement.

6. Rotation of partners responsible for audit work and rotation of audit firm

In order to prevent that the external auditor and the Company become too close, the number of years a person may be part of the audit team of the External Auditor, is capped.

Partners of the audit team of the Company who are charged with essential audit tasks must be replaced at most 7 years after the start of their involvement. The partners of the audit team of the Company charged with essential tasks who have been replaced are not allowed to work on a new assignment for the Company until at least 2 years have expired from the date of their replacement.

The Audit Committee shall also supervise the risks of dependency of other members of the audit team of the Company who are involved with the audit for a significant period. The Audit Committee shall consult the responsible partner of the external auditor regularly on safeguards set up by the external auditor to assess the risk of dependency and to reduce it to an acceptable minimum level.

Starting from 1 January 2016 an audit firm may not, during a period of two consecutive years, perform a statutory audit of the Company, if it has previously performed a statutory audit of the Company for eight or more consecutive years.

7. Appointment of the External Auditor

The External Auditor shall be appointed in accordance with clause 11 of the Regulations of the Supervisory Board. If the decision is taken to call in the services of another External Auditor, the tender process approved by the Audit Committee shall be followed.

8. Staff transfer restrictions

The Company and the External Auditor shall agree on a policy regarding the restriction of staff transfers from the Company and its Group to the organisation of the External Auditor and vice versa, taking into account all relevant legislation and regulations.
