

PYRROLIDINE
C₄H₉N

CAS no: 123-75-1
EINECS no: 204-648-7

SPECIFICATION

Component	Spec. range	Unit
Assay	99.5 min	wt %
Water	0.3 max	wt %
Colour	25 max	APHA

PRODUCT INFORMATION

Appearance	Liquid
Colour	Colourless or slightly yellow
Packaging	Bulk and steel drums
Drum information	Net weight 170 kg
Storage	Under nitrogen
Additives	None
Melting point	- 63 °C
Solubility in water	Freely soluble (at 20 °C)

Issue date: 16-02-2004

All data and information contained in this document are believed to be reliable at the date of issue mentioned on this document. However, since DSM has no influence on the use, processing and application of the product, DSM can accept no responsibility whatsoever on this respect and the buyer can derive no rights there from. The buyer shall check the quality and all other properties of the product and assumes all responsibilities arising from the use of the products and the information related thereto. DSM accepts no liability arising from any infringement of intellectual property rights of third parties that is the result of manufacturing application or sale of products by the buyer.
