## How to reach us:

- In Amsterdam get on the A1 direction Amersfoort/Enschede.
- At Hoevelaken (cross-section A1/A28) turn left to the highway A28 direction Zwolle.
- When you reach Hogeveen Leave the A 28 and follow the A37/E233 direction Emmen. Keep on this motorway for about 25km even after the motorway has changed into a 2 lane road (N37/E233)
- At the bridge over N376 Turn Right on the N376 to Nieuw-Amsterdam
- At the canal follow the left curve and drive along the canal for about 1.5km
- When you see a Shell petrol station (at your left) Turn right and cross the bridge. You are on the N853 now

After 2.5km the Production Plant DSM Composite Resins site Schoonebeek is on your right hand side.
