

Reducing our reliance on marine resources

We're focusing our passion and expertise on cultivating marine algae that naturally produce omega 3, EPA/DHA, so we can help reduce the reliance on wild fish stocks and enable the aquaculture industry to grow.

We are transforming animal nutrition and health to build a sustainable future, responsibly.

If not us, who? If not now, when?

WE MAKE IT POSSIBLE

Find out how DSM can help transform animal nutrition and health sustainably at www.dsm.com/wemakeitpossible
