1. GENERAL

1.1 These General Terms and Conditions of Sale ("Conditions") apply to the sale and delivery of all goods and/or services (hereinafter jointly referred to as the "Product(s)") from or on behalf of DSM Nutritional Products AG, Wurmisweg 576, CH-4304 Burgdorf, Switzerland, and its affiliates (the "DSM"), to customer ("Customer") and apply to all transactions between DSM and Customer.

1.2 Subject to the provisions of the Conditions, Customer agrees to the applicability thereof in respect of all future dealings, even if this is not explicitly stated.

1.3 DSM hereby rejects the applicability of any general terms and conditions of Customer. Furthermore, the Conditions supersede any and all terms and conditions, oral or written, or agreements and understandings of the parties in respect of the sale and delivery of the Products and shall apply in preference to and supersedes any and all agreements and understandings of the parties in respect of the sale and delivery of the Products. Customer shall not be entitled to amend or cancel the Conditions without the express written consent of the DSM. The Conditions shall be accepted if no such consent is communicated to DSM within a period of thirty (30) days from the date of receipt of the Conditions by Customer.

2. QUOTATIONS, ORDERS AND CONFIRMATION

2.1 Unless stated otherwise by DSM, quotations made by DSM in whatever form are not binding and merely constitute an invitation to Customer to place an order. All quotations issued by DSM are revocable and subject to change without notice. Orders must be in writing and accepted by DSM in writing ("the Confirmed Order"). DSM shall be entitled to refuse an order without indicating the reasons.

2.2 Price quotations based on estimated or projected quantities are subject to increase in the event that actual quantities purchased during the specified period are less than the estimated or projected quantities.

2.3 Each delivery shall stand as a separate transaction and any failure to deliver shall have no consequences for other deliveries.

3. PRICES

3.1 The prices and currencies of DSM’s Products are as set out in the Confirmed Order. Unless otherwise agreed, DSM’s prices include standard packaging but do not include Value Added Tax or any other applicable taxes, duties, levies or charges in any jurisdiction levied in relation to the Products or the delivery thereof ("Taxes"). The amount of any Taxes levied in connection with the sale of Products to Customer shall be for Customer’s account and shall either be added to each invoice or separately invoiced. If not otherwise stated in the Conditions and in the absence of any agreed discount, this discount only relates to the delivery specifically mentioned in the Confirmed Order.

3.2 Unless the prices have been indicated as firm by DSM, DSM reserves the right to increase the price of the Products still to be delivered if the cost price determining factors have been increased after the date of the Confirmed Order and not limited to: raw and auxiliary materials, energy, products obtained by DSM from third parties, wages, salaries, social security contributions, taxes, duties, levies, charges, and insurance premiums. DSM shall notify Customer of such increase which shall not exceed the increase in the determining cost factors.

4. PAYMENT AND CUSTOMER’S CREDIT

4.1 Unless stated otherwise in the Confirmed Order, payment shall be made on the basis of net cash, to be received by DSM within 30 (thirty) days following the date of DSM’s invoice. All payments shall be made by Customer in full and free of set-off or other counterclaims except for set-offs with uncontested and/or enforceable counterclaims.

4.2 With regard to payment for the Products, time is of the essence. DSM may, without prejudice to any other rights of DSM, charge interest on overdue amounts at a rate of 12% (twelve percent) per annum from the due date computed on a daily basis until all outstanding amounts are paid in full. All costs and expenses incurred by DSM with respect to the collection of delinquent accounts, without limitation, reasonable attorney’s fees, expert fees, court costs and other expenses of litigation shall be borne by the defaulting Customer.

4.3 Every payment by Customer shall in the first place serve to pay the judicial and extra-judicial costs and the accrued interest and shall afterwards be deducted from the outstanding claim regardless of any advice to the contrary from Customer.

4.4 Any complaint with respect to the invoice must be notified to DSM in writing within 20 (twenty) days after the date of invoice. Thereafter, Customer shall be deemed to have approved the invoice.

5. DELIVERY AND ACCEPTANCE

5.1 Unless stated otherwise in the Confirmed Order, all deliveries of Products shall be CIP (Carriage and Insurance Paid To) place of destination. The term CIP shall have the meaning as defined in the latest version of INCOTERMS published by the International Chamber of Commerce, France at the time of the issuance of the Confirmed Order (see www.iccwbo.org/INCOTERMS).

5.2 DSM will deliver the Products to Customer at the agreed place of delivery. Delivery shall be made by DSM or its carrier or, if agreed, any other third party (hereinafter referred to as "Contractor"). Customer shall be responsible for the payment of all costs and expenses related to the delivery of Products. DSM will notify Customer of any delivery made by Contractor to Customer. In these cases, the delivery shall be deemed as accepted by Customer upon receipt of notification from DSM.

5.3 Customer shall examine and accept the Products at the time of delivery. Customer shall, within a period of thirty (30) days from the date of delivery and receipt of such electronic communications, Customer’s credit shall indicate such defects or non-conformities.

5.4 Customer’s credit shall entitle Customer to reject the Products if, in Customer’s opinion, they are defective or non-conformant. Customer shall notify DSM of the rejection within a period of twenty (20) days from the date of delivery and receipt of such electronic communications of delivery. In such case, DSM may repair or replace the Products, or Customer may return the Products to DSM. DSM shall, at Customer’s request, either repair or replace the Products or return the Products to Customer. Customer shall pay all costs and expenses related to the return of the Products.

5.5 DSM shall deliver the Products to the Customer at the location specified in the Confirmed Order, any times or dates for delivery by DSM are estimates and shall not be of the essence. DSM is entitled to deliver the Products as stated in the Confirmed Order and the title to the Products shall pass to Customer without prejudice to any other rights of Customer. Delay in delivery of any Products shall not relieve Customer of its obligation to accept delivery thereof, unless Customer cannot reasonably be expected to accept such late delivery. Customer shall be obliged to accept the Products and pay the rate specified in the Confirmed Order for the quantity of Products delivered by DSM.

6. CANCELLATION

6.1 Cancellation of a purchase order or withdrawal of an order is only permitted in writing.

6.2 Cancellation is effective on receipt of a written notice of cancellation at DSM’s address to which DSM’s confirmation of order is addressed.

7. EXAMINATION AND CONFORMITY TO SPECIFICATIONS

7.1 On delivery and during the handling, use, commingling, alteration, incorporation, processing, transportation, storage, importation and (re)sale of the Products (the "Use"), Customer shall examine the Products and satisfy itself that the Products delivered are fit for the purpose intended by Customer. Customer further agrees that any claims for damages for non-conformity will only be entertained if the defect, default or shortage would be apparent from a reasonable inspection on delivery, and 7 (seven) days from the date on which any other claim (e.g., claim for hidden defects) would be apparent, but in no event later than (i) 6 (six) months from the date of delivery of the Products or (ii) the expiration of the warranty period which is the earlier. Any Use of the Products shall be deemed to be an unconditional acceptance of the Products as of the date of delivery and a waiver of all claims in respect of the Products.

7.2 A determination of whether or not delivered Products conform to the Specifications shall be done solely by DSM analysing the samples retained by DSM and taken from the batches or production runs in which the Products were produced in accordance with the methods of analysis used by DSM. In case of a discord between the parties concerning the quality of a batch or production run of Products supplied by DSM to Customer, no party shall be allowed to take a sample or to reprocess a sample of said batch or run to an independent laboratory reasonably acceptable to Customer to have determined whether or not the batch or run conform to the Specifications. The results of such analysis shall be binding upon the parties and the party unable to uphold its position shall bear the full costs of such analysis.

7.3 Defects in parts of the Products do not entitle Customer to reject the entire delivery of the Products, unless Customer cannot reasonably be expected to accept the defective part(s) of the remaining non-defective parts of the Products. Complaints, if any, do not affect Customer’s obligation to pay as defined in Article 4.

8. TRANSFER OF RISK AND PROPERTY

8.1 The risk of the Products shall pass to Customer according to the applicable Incoterms (see Article 5.1).

8.2 The title to the Products shall not pass to Customer and full legal and beneficial ownership of the Products shall remain with DSM unless and until DSM has received payment in full for the Products, including costs such as interest, charges, expenses and taxes.

8.3 In the event of termination on the basis of Article 16, DSM shall, without prejudice to any other rights of DSM, reserve the right to have the immediate return of the Products, or to repossess the Products, for which it may invoke a retention of title.

9. LIMITED WARRANTY

9.1 DSM solely warrants that on the date of delivery, the Products shall conform to the Specifications. If and to the extent Products are in breach with such warranty, as determined in accordance with Article 7, DSM may at its own option and within a reasonable time either repair or replace the Products or provide a credit or issue a credit for any such Products in the amount of the original invoice price. Accordingly, DSM’s limitation of liability as provided in Article 10 shall not apply to the repair or replacement of the Products or to credit for the Products.

9.2 DSM’s obligation to repair, replace, or credit shall be contingent upon receipt by DSM of timely notice of any alleged defect or non-conformity and, if applicable, the return of the Products, in accordance with Article 7.

9.3 The warranty is exclusive and in lieu of all other warranties, representations or other terms, express, implied, statutory, contractually or otherwise, including, without limitation, any warranties or obligations of merchantability, suitability or fitness for any purpose, or absence of infringement of any claim in any intellectual property right covering the Products.

10. LIMITED LIABILITY

10.1 DSM’s liability for any and all claims arising out of or in connection with the Products and the Use thereof shall per occurrence be limited to direct damages of Customer and shall under no circumstances exceed the price for the Products or in the alternative a maximum of 10% (ten percent) of such price. In the event of any delay, the obligation to deliver shall be suspended for a period equal to the time loss by reason of Force Majeure. However, if the Force Majeure event continue or be expected to continue for a period extending to more than sixty (60) days after the agreed delivery date, Customer may at any time by written notice to DSM cancel the then affected part of the Confirmed Order without any liability to the other Party.

12.1 Unless the Specifications have been agreed to be firm for a certain period of time or quantity of Products, DSM reserves the right to change or modify the Specifications and/or manufacture of Products and to substitute materials used in the production and/or manufacture of Products from time to time without notice. Customer acknowledges that data in DSM’s catalogues, product data sheets and other descriptive publications distributed or published on its website may accordingly be varied from time to time without notice.
