

Vertis™ CanolaPRO® high-protein bar Chocolate flavor

Plant-based protein bars can help you replenish vital nutrients after a tough workout, or just power you through a busy day. But not all plant proteins are equally nutritious. Plant protein products are best when they contain all the essential amino acids you need to repair and build muscle.

Fuel your performance

DSM's Vertis™ CanolaPRO® is a high-quality plant protein isolate that delivers top nutrition. It's a complete protein, meaning it contains all the essential amino acids. Containing up to 20 grams of protein, this plant protein bar also contributes to increasing muscle mass.
