

# The biggest post-cleansing pain-points for consumers around the world are ....

## Here's what consumers around the globe told us:

- After showering my cheeks and forehead pull
- My skin itches, especially in winter
- In autumn when I shower my skin is dry, stinging and itchy
- After removing make-up with a facial cleanser my skin feels dry
- In the evening, I clean with a cleansing gel but my skin pulls

# Consumers are looking for effective skin cleansers that provide post-cleansing moisturization

THAT LASTS ALL DAY

# "Hey Google... Why is My Skin So Dry?"

Consumers seek answers for increased skin dryness

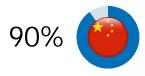

# Consumers are willing to pay more for skin cleansers that...

of shower gel buyers in China would pay more for products that hydrate the skin

# What is PENTAVITIN®?

100% Natural - Fully Sustainable

- PENTAVITIN® is made by transforming edible kernel corn sugars into a skin identical sugar complex similar to the carbohydrate complex (NMF) found in human stratum corneum.
- SUSTAINABLE process due to the use of a sophisticated SUGAR ISOMERISATION TECHNOLOGY
- Process in water using mild temperature conditions to reduce energy and waste

INCI name (active)
Saccharide Isomerate

# The Science behind PENTAVITIN® NMF Biomimicry

NMF – The Key to Sustaining Skin Hydration

PENTAVITIN® mimics essential molecules found in skin's NMF to lock in moisture

- It binds to the skin like a magnet and cannot be washed off easily
- It boosts filaggrin.
- PENTAVITIN® therefore mimics the skin's natural ability to lock in moisture, even under washing, and showering conditions.

### Multifaceted Benefits

#### **PERFORMANCE**

PENTAVITIN® is proven to address the 5 vital signs of dehydrated skin

#### **HYDRATION POWER**

- PENTAVITIN® gives 72 Hours long lasting deep hydration
- PENTAVITIN® gives consumer-perceivable improvement in hydration, flakiness, skin discomfort, smoothness and appearance.
