EXPLANATORY STATEMENT

Personal data

When applying for insurance and / or coverage; in the event of a change and in the event of damage, personal data will be requested. These are processed by DSM Assurantiën for the purpose of entering into and executing agreements and marketing activities, to prevent and combat fraud against financial institutions, for statistical analysis and to be able to comply with legal obligations. In connection with the implementation of a responsible acceptance and claims settlement policy, Nationale Nederlanden can consult personal data at Stichting CIS in The Hague and have it recorded there in the event of a reported damage. The privacy regulations of the CIS Foundation apply to this. See also: www.stichtingcis.nl.

DSM Insurances BV, hereinafter referred to as "DSM Assurantiën", processes your personal data for the purpose of realizing insurance contracts, preventing fraud and complying with legal obligations. The privacy statement of DSM Assurantiën applies to the processing of your data. You can find this privacy statement at www.dsm.nl/verzekeringen. Because DSM Assurantiën is the authorized representative of Nationale Nederlanden, Nationale Nederlanden processes your personal data for the insurance product mentioned on this form. The privacy statement of Nationale-Nederlanden applies to this processing. You can find this at www.nn.nl/privacy. Both parties are independently responsible for processing as referred to in the General Data Protection Regulation.
